

OPERATIONAL
LEASING
SUITED TO YOUR
FINANCIAL
GROWTH

rentys
RENT YOUR SYSTEMS

OUR COMMITMENT TO SUPPORT YOU

Financing the purchase of your technological assets should not restrict your business.

That is why we believe that operational leasing for technological equipment should be designed as part of your long-term business plan and provide a **return on your investment**.

To successfully grow your business you need to maintain **equipment performance**. Consequently, **RENTYS** offers you the opportunity to upgrade your technological equipment by providing your company with the necessary financial support.

Whether you are an SME, a multinational corporation or a public institution, **RENTYS** can provide you with a tailor-made solution that will satisfy your **requirements** in line with your **budget**.

A RELIABLE AND RESPONSIBLE PARTNER

YOUR NEEDS

Support for substantial investment without restricting your financial growth

Maintain equipment performance and effectively manage/keep up with rapidly evolving technologies

Optimised cost management of your technological acquisitions

Minimise the risks associated with the rapid depreciation in value of your technological assets

Manage the end-of-life disposal of your technological equipment

OUR SOLUTIONS

Preserve your cash flow and indebtedness capacity / liquidity

Ensure that your technological equipment remains cutting edge

Reduce your administrative costs and **simplify** your order process

Substitute your depreciation allowance with controlled tax deductible expenses

Collect and recycle your obsolete equipment in accordance with environmental regulations in force at the time

A SIMPLE, FLEXIBLE AND TAILORED SOLUTION

ABLE TO MEET YOUR NEEDS THROUGHOUT THE LIFE OF YOUR TECHNOLOGICAL EQUIPMENT.

WHY CHOOSE RENTYS

- ▶ A personalised approach and a lasting partnership
- ▶ Proven expertise in both funding and technological assets
- ▶ Fully independent of manufacturers and financial institutions
- ▶ Simplified administration and financial management
- ▶ Loyal customers who we have supported over many years

They trust us

A CHOICE OF OPERATIONAL LEASING AGREEMENTS

Rentys adapts the leasing solution to the financial constraints of your business by providing a form of off-balance-sheet financing, which can be adapted easily, while retaining the necessary flexibility for enhancing your technological equipment.

A SIMPLIFIED AND TAILORED OFFER

- Individual scalable contracts
- Personalised follow-up service of your files
- A solution adapted to your business
- Flexibility which allows you to upgrade your technological assets whenever the need arises

RESPONDING TO YOUR OPERATIONAL NEEDS

- Efficient equipment always kept up-to-date
- A reduction in the associated administrative costs
- Flexibility and simplicity of procedures

FINANCIAL AND TAX ADVANTAGES

- Flexible financial arrangements
- Fully tax deductible lease payments
- Solutions that are adaptable to your accounting requirements

CONTROLLED COSTS

- Respecting your budget constraints
- A fixed lease payment for your complete technological solutions
- Optimising your cash flow and maintaining your liquidity

OUR SOLUTIONS TO YOUR NEEDS

▶ OPERATIONAL LEASING

- A flexible contract for a fixed term modified according to the type of equipment
- Monthly or quarterly instalments
- Optimal cost management of your technological assets

▶ FRAMEWORK PROCUREMENT AGREEMENT

- Scheduling your asset acquisitions through a single long-term contract
- A simplified contractual commitment
- A predefined financial package

▶ ADMINISTRATIVE MANAGEMENT

- Monitoring your orders and acquisitions
- Managing and paying supplier invoices
- Managing insurance policies and claims

▶ SALES & LEASE BACK

- Immediate cash flow injection
- Comprehensive switch from a purchase deal to an operational leasing
- Maintaining the borrowing capacity and liquidity of the business

▶ SWAP LEASE

- Replace or upgrade your equipment using an ISO-budget option
- Budget is planned and agreed in advance
- Simplified administration
- Technological assets are updated at your own pace

▶ INSURANCE

- Insurance is available to cover all of your technological equipment
- Your file is managed by Rentys

▶ BROKERAGE

- Collection and recycling of your obsolete equipment in accordance with European guidelines on the processing of electronic waste
